

WEDDING IN PARADISE CHECKLIST - PART 1

This checklist has been designed as a blueprint for your own wedding in paradise. As you check off the box and make notes along the way, keep it in a binder so you can reference your hard work. Bring this with you on any site visits to help remind you of questions you'd like to ask.

After each checklist, reward yourself! Pour yourself a glass of wine and have a dance party for being such a Bombshell Bride!

Fill in the blanks with notes as you plan. Any questions? Email info@chelseabondjewelry.com or send us a note on Facebook.
